

## CASE MANAGEMENT PROFILE

### **Tricia Corbett MSC BA Hons Dip COT Associate Case Manager**

Tricia is a Neurological Occupational Therapist and holds a MSc in Neurological Rehabilitation. Since graduating in 1987, Tricia has undertaken extensive continued professional development. Tricia is trained in the Assessment of Motor and Process Skills (AMPS) and Functional Capacity Measure (FCE) Interactive Metronome provider.

- Tricia's experience includes 13 yrs in a community neuro-rehab team providing multi modal interventions including physical, sensory and cognitive strategies aimed at regaining independence and integration into the community. Three years as an OT in Social Services working in the major adaptations section and 12 years as an OT in private practice. During this time she has worked in the public and the private sector for personal injury lawyers, brain injury and spinal injury case managers, as well as performing functional capacity assessments for insurance companies.
- Tricia has an in-depth knowledge of working practices of other disciplines and is able to work effectively in multidisciplinary teams as required. She has expertise in rehabilitation report writing including risk assessment, vocational rehabilitation and adaptation recommendations.

Tricia's key skills include standardised functional assessment, Functional Capacity Evaluation Assessment of Motor and Process Skills, Cognitive assessment tools, preparation for, and management of, return to work, researching and recommending specialist equipment and adaptations, redefining life occupations after brain injury and spinal injury, application of cognitive and physical strategies to daily life tasks, individualised training for support worker teams, physical retraining including functional mobility and specific sensory and motor upper limb training, anxiety and fatigue management programmes and also risk assessment of home and community activities.

Tricia is registered with the Health and Care Professionals Council (HCPC) and she is a co-ordinator with the Silver Lining Surrey ABI charity.
